Third Year Educational Specialist Degree

Planning for internship begins in the year prior to internship. Two preparation seminars are held in which students are oriented to the procedures followed in identifying sites, interviewing, resume preparation, etc. The arrangement for the internship is a cooperative venture, shared by the student and the internship coordinator. A total of 9 hours of Internship and 6 hours of PSYC 800, Research Project in School Psychology, are required during the third year.

Fall	Spring	Summer
<p>*PSYC 790 Internship in School Psychology</p> <p>PSYC 800 Ed.S. Research Project- 2 credit hours</p>	<p>PSYC 790 Internship in School Psychology</p> <p>PSYC 800 Ed.S. Research Project- 2 credit hours</p>	<p>PSYC 790 Internship in School Psychology</p> <p>PSYC 800 Ed.S. Research Project- 2 credit hours</p>

Please note that because of scheduling needs, course sequencing may vary slightly from student to student. However, the majority of students complete the program within 3 calendar years.

This document is provided as an advising resource only. Official curriculum requirements are listed in the JMU Graduate Catalog. In the case of discrepancies, the University Catalog is the official curriculum students must follow. This document was reviewed by Tammy Gilligan, the School Psychology Program Director on June 29, 2023.
